

Sunday 2nd June 2024
Sunday Service
Speaker: David Keeble

This week		From our service on 26 th May- Trinity Sunday RESTORATIVE REVOLUTION I believe that this could be a prophetic call for the global church to serve and save the planet for the glory of our Creator. With 2.6 billion members the global Church is bigger by far than any national population or multinational corporation. It is Jesus himself who calls us to challenge greed, speak truth to power, and take action in our own lives, praying for God's rule and reign in every sphere of a renewed world. Pete Greig
